LABC - SWIM TEAM DIVISION  
P.O.BOX 2196  
LEANDER, TX 78641

Dear Patron,

We are the Leander High School Swim Booster Club, a division of the Lion Athletic Booster Club. The Leander Swimming program provides a unique learning experience by imparting life-long skills and benefits such as sportsmanship, work ethic, teamwork, time management, physical and mental discipline, and competitive swimming techniques.

Our goal is to provide our student athletes and coaches with the most current training equipment available as well as opportunities for developing their skills. Our program is run by a volunteer board of officers and dedicated parents. We are part of a 501c(3) non-profit organization and 100% of the funds raised by the club are used to improve the LHS swim program.

Your sponsorship will represent your community support by helping offset the costs incurred by the program, but not covered by the school district.
